Or cash if handing over the form on a club-meet

Once the joining fee has been calculated the completed form and fee can be handed over on a club-meet, or on request an address can be supplied for you to post the form and money to. We expect you to have attended at least one club-meet before joining, no reasonable request for membership will be denied, although it is the Clubs prerogative to deny any membership requests without providing a reason.

Once your application is completed you will be given the chance to obtain access to the members section of the website (including the forum) and to attend any club-meets.

Some of the monies from the BRCC membership fee goes towards the cost of BCA membership for the Club, as a result of this you are a Club Individual Member (CIM) of the BCA. There is a also a CIM+ option which is the same as being a Direct Individual Member of BCA but arranged through a club (this includes extras such as your own personal copy of magazines etc) but it does cost extra - see BCA website for current fees and all extra benefits of this option or contact our secretary.

As most of our members are happy with the CIM option the BRCC defaults to this for all new members; please tick this box if you wish to have CIM+ [] and don't forget to include the extra fee.

Data Protection : The BRCC uses the information provided for Club records and communication. It does not divulge any information supplied in this form to any external organisations, the exception being the BCA for the purposes of providing you with Public Liability Insurance cover.

Your name, home town, mobile phone number and e-mail address will be included on a 'contact list' document, this will be available to members only in the password protected area of the Club website. If you do not wish this information to be made available, please tick this box []
